Shelter is what I need from you my King.
I'm waiting for me to see,
That your the everlasting.
Oh.

Come see the everlasting,
He is waiting for you.
Come see the everlasting.
Come see the everlasting,
He is waiting.
So come and see the everlasting.
Come see the everlasting.

I'm waiting for my shelter.

Be my everything cause I have nothing.

Come see the everlasting,
He is waiting for you.
So come see the everlasting.
Come see the everlasting,
He is waiting for you.
So come and see the everlasting.

Come see the everlasting (Everlasting)
