La, La, La... (x?)

Let me give it all to the very small thing that leaves me,
Powerless...

I see my face from another time, from a day gone by...
[Goodbye]...

Arrogant and Vast, a smile that leaks onto the saddest
things.

I know I'll know then what I don't know now, what I'll
never know
again...

Looser[?], now...

Powerless (x6)

Like a Child[?]....

Powerless.

Like a [???]....

Powerless.

Like a [???]....

Powerless.

Like a [???]....

Finding some shoes,

Losing your feet...

Finding some food,

Losing your teeth...

There was a time when the world was mine, now it's
yours and I'm...

Powerless.

I hear your voice from another time, from a day yet to
come... Here it
comes...

Beautiful and slow, a tear that washes just through the
gladdest
things...

Now I've forgotten how, not to give it all, to the very
small joy that
leaves me in tears...

Closer, now...

[Ha!] Powerless (x5}

Like a [???]...

Powerless.

Like a [???]...

Powerless.

Like a [???]...

Powerless.

[???]

Finding some shoes,

Losing your feet...

Finding some food,

Losing your teeth...

[Wooh!] (x4)

La, La, La (x?)

[Powerless]... (x9)

((Note: There are certain lyrics in this song that are nearly incomprehensible, and I couldn't find anywhere, so if anyone can help out with completing them, that would be great. Sorry.))
