Blue blue blue  
Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love of my own

Blue blue moon  
You knew just what I was there for  
You heard me saying a prayer for  
Someone I really could care for

And then suddenly appeared before day  
The only one my arms could ever hold  
I heard somebody whispered "Please adore me"  
And when I looked  
The moon had turned to gold

Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love of my own

And then suddenly appeared before day  
The only one my arms could ever hold  
I heard somebody whispered "Please adore me"  
And when I looked  
The moon had turned to gold

Now I'm no longer alone  
Without a dream in my heart  
Without a love of my own  
Without a love of my own
