Come back my love, don't go away
Come back my love, come back to stay

I love you so,
Well I want you to know
I need your love so badly

Du-da-wop, du-da-wang
Du-da-wop, du-da-wang
Du-da-wop

Oh, won't you come back my love,
Don't go away
I need your loving every day
I love you so
Well I want you to know.
I need your love so badly

You said goodbye, I wonder why,
All because of those silly lies

I love you so,
And I want you to know
I need your love so badly

Everybody makes big mistakes
In this game of romance
I'm asking you darling
Why don't you come back and give me a chance?

Come back my love, yeah don't go away.
I need your loving every day
I love you so,
Well I want you to know
I need your love so badly

Everybody makes big mistakes
In this game of romance
Now I'm asking you darling
Why don't you come back and give me a chance?

Come back my love, yeah don't go away.
I need your loving everyday
I love you so,
Well I want you to know
I need your love so badly

Everybody makes big mistakes
In this game of romance
Now I'm asking you darling
Why don't you come back and give me a chance?

So come back my love, don't go away.
I need your loving everyday
I love you so,
Well I want you to know
I need your love so badly

I need your love so badly
