Yeah it's over, all the tears I cried in vain
Yeah you promised, but you never ever changed
No no

Feel like you never noticed me, never saw my face
Standing in the corner tryna catch some grace
We're so over, I'm in a better place
I'm gonna let the light surround me

Yeah I'm gone, moving on
And I'm loving the sound of the beat of the drum
And I'm gone, (yeah I'm gone) moving on (moving on)
And I'm loving the sound of the beat of the drum

Are you lonely (lonely) now you know just how I felt, hey
But it's too late, nobody left to blame but yourself
Oh yeah, yeah, yeah

Well you never stopped to think about what we had
Aint it such a shame all the good turned bad
Can you feel me (feel me)?
I'm not looking back
I'm gonna let the light surround me, yeah

Yeah I'm gone, moving on
And I'm loving the sound of the beat of the drum
And I'm gone, (I'm gone) moving on (moving on)
And I'm loving the sound of the beat of the drum

Na, na, naa
Na, na, naa
And I'm loving the sound of the beat of the drum
Na, na, naa
Na, na, naa
I'm loving the sound of the beat of the drum

Feel like you never noticed me never saw my face
Standing in the corner tryna catch some grace
It's all over (it's all over)
I'm gonna let the light surround me yeah

Yeah I'm gone, moving on
And I'm loving the sound of the beat of the drum
And I'm gone (I'm gone), moving on (moving on)
And I'm loving the sound of the beat of the drum

Yeah I'm gone, moving on
And I'm loving the sound of the beat of the drum
I'm gone, moving on

Na, na, naa
Na, na, naa
And I'm loving the sound of the beat of the drum
Na, na, naa
Na, na, naa
Beat of the drum, yeah yeah
