I don't want half hearted love affairs
I need someone who really cares
Life is too short to play silly games
I promised myself I wont do that again

Its got to be perfect
Its got to be worth it
Too many people take second best
But I wont take anything less
Its got to be, yeah, perfect

Young hearts are foolish
They make such mistakes
Their much too weaker
To give the love away
And well I have been foolish
Too many times
Now I'm determined I'm guna get it right

Its got to be perfect
Its got to be worth it
Too many people take second best
But I wont take anything less
Its got to be, yeah, perfect

Young hearts are foolish
They make such mistakes
Their much too weaker
To give the love away
And well I have been foolish
Too many times
Now I'm determined I'm guna get it right

Its got to be perfect
Its got to be worth it
Too many people take second best
But I wont take anything less
Its got to be, yeah, perfect

Got to be, yeah, perfect
Got to be, yeah, perfect
