Ooo Oo Oo Oo Oooo

Tell me why when we fall in love
All we want to do is play it cool
All the words we never say
No one ever wants to be the fool

But I couldn't see the sense in that
Oh no...
'Cause whenever I see your face girl
I just can't hold back

'Cause when the day is breakin'
(I'm lookin' for your love)
And when the day is fadin'
(You're all I'm thinkin' of)
Don't need no use pretendin'
(I've had enough)
I got to get up
Get on with the reel
And say what I feel
Say what I feel

Now you can read me like a book
And you ain't got to read between the lines
(Ain't got read between the lines)
I may as well just say it on
You know exactly what is on my mind
(Girl, you know what's on my mind)

So you gotta know just where I'm at
Oh yeah
'Cause whenever I see you're smiling
I just can't hold back

'Cause when the day is breakin'
(I'm lookin' for your love)
And when the day is fadin'
(You're all I'm thinkin' of)
There ain't no use pretendin'
(I've had enough)

I've got to get up
Get on with the reel

And if I lose, to now
I'll only regret the things I'll never say it
But I don't
I don't know how
To show you the way I feel

'Cause when the day is breakin'
(I'm lookin' for your love)
And when the day is fadin'
(You're all I'm thinkin' of)
There ain't no use pretendin'
(I've had enough)
I've got to get up
Get on with the reel
And say what I feel

(I'm lookin' for your love)
Oh yeah yeah yeah yeah
(You're all I'm thinkin' of)
There ain't no use pretendin'
(I've had enough)
I got to get up
Get on with the reel
And say what I feel
Say what I feel

I, gotta say what I
I, gotta say what I feel
Say what I feel
