Heard you say suicide in your sleep
Just get on with it, you were born to lose
Will you hang, like the moon,
From a rope, in your room,
Oh you long for it,
You were born to lose
Where did you go (all I know)
Where did you go (you can't choose)
Where did you go (here I go)
Born
To lose
Where did you go (all I know)
Where did you go (you can't choose)
Where did you go (here I go)
Born
To lose

Took a shot, to the head
In the back, near the crib
Such a legend now,
You were born to lose
Cause I know, that the pain
Keeps you close, to the flame
You know everything,
You were born to lose
Where did you go (all I know)
Where did you go (you can't choose)
Where did you go (here I go)
Born
To lose
