Ladies Drinks Â Power Hour (x8)

Maybe its this power (x8)

You know you want one
Because you want another
We'll all want to die
We never say die
I'd like to try to
Sit down beside you
But when I say dieÂ
I don't mean a machine

I'm not prepared to
I only met you
I want to tell you
Or hypnotize you
Of all the things I'm
Talking about time

Help me die die

I'll live through I'll be good
I'll live good I'll be good
I'll wake up I'll break up
I'll wake up I'll wake up

Help me die die

Ladies Drinks Power Hour (x8)

Maybe it's this power (x8)

You took a want of war
In the Michelin door
You die in a war
In the African metaphor
Funky dunk the shape
Of the sterile tape
But when I say dieÂ
I don't mean a machine (x2)

I'm not prepared to
I only met you
I want to tell you
Or hypnotize you
Of all the things I'm
Talking about time

Help me die die

I'll live through I'll be good
I'll live good I'll be good
I'll wake up I'll break up
I'll wake up I'll wake up

Help me die die
