Go away for a while
Cause I can't
Cause I can't take this again

Can you think for yourself
Just once
You're never gonna get back home

Don't run away from me baby
Just go away from me baby
Don't run away from me baby
Just go away from me baby

Chorus:
Road to hell, road to hell
Road to hell, road to tell
Road to hell

Go away for a while
If you can
You can be my only friend

Don't run away from me baby
Just go away from me baby
Don't run away from me baby
Just go away from me baby

Chorus:
Road to hell, road to hell
Road to hell, road to tell
Road to hell

Don't run away from me baby
Just go away from me baby
Don't run away from me baby
Just go away from me baby

Chorus:
Road to hell, road to hell
Road to hell, road to tell
Road to hell
