Oh, oh  
Oh, oh  
Ah ah ah ah ah ah ah ah [repeat]

I wanna wanna hang a name on you  
I wanna wanna hang a name on you  
I wanna know what's good for you  
I wanna know what's good for you

You wanna wanna hang a name on me  
You wanna wanna hang a name on me  
You wanna know what's good for me  
You wanna know what's good for me  
You don't know, you don't really wanna know  
You don't know, you don't really wanna know  
You take a heart, I can take out two  
You take a heart, I can take out you

You don't know, you don't really wanna know  
You don't know, you don't really wanna know  
You take a heart, I can take out two  
You take a heart, I can take out you

Ah ah ah ah ah ah ah ah [repeat]
