(Spoken)

New orleans!

What the fucks up?

Here we go, c'mon

There we fucking go

Woo!

Let's go, rock on, here we go!

I wanna see all your fuckin hands in the air! Aaaah!

woo!

Okay here we go, hey!

1, 2, 3, 4

Push it, push it, push it

True shred guitar

Push it, push it, push it

True shred guitar

On your knees, on your knees

Suffer, please

On your knees carry me

M16

Push it, push it, push it

True shred guitar

Push it, push it, push it

True shred guitar

If you've seen what I've seen

Bury me

Burn the streets, baby please

Finish me

Push it, push it, push it

True shred guitar

Push it, push it, push it

True shred guitar
