We are here to cut to the chase
And draw the line
That we are here to entertain you tonight
And if we fall below
The line of your standards
We will change your mind

Feel the sound that we created inside
Your hollow hearts
From this moment on
This beat will carry on, we stand here
As a probable cause of your happiness
Trust me if it wasn't for the place and
Time, I'd stop using you as my heroine.

Abuse! Is what you call this!

As we sweat for your cheers tonight
We do it all for you

We do it all for you

We do it all for you
So let your body move
Let your body move

Lets keep on moving to the sound of our hearts
We kept our promise
So do your fucking part
Do your fucking part

We've given you everything we've ever dreamed
We've given you everything we've ever dreamed

Whoa
You're here tonight, you're here tonight

What's the chances that you'll be my friend

What's the chance?

Let your body move
