Maggie and the ferocious beast
Oh no

I turn on my t.V. To watch my favorite cartoon movie
There's so many to choose from which one will I
choose?

Can we watch this one?
Oh well I suppose, I suppose
Where did it go?
Oh no

Rest your head up against my chest
Feel my pulse now, and lay her to rest
Went on a quest to prevent this tragedy
But I found it right next to my t.V. Screen

I found it right next to my t.V. Screen
It was under my magazine

Call off the search, come lay with me
Call off the search, we'll watch a movie

Just wait 2 minutes
Come and lay with me
Don't salt my wounds
Call off the search
Don't push my buttons bitch

I can't believe it's come to this
I'm tired of waiting patiently
I should have made my move by now
I should have made my move

Now I'm stuck watching this til the end of time
Unless you change your pretty mind
Get a little bit closer
The way I make my ladies

Call of the search come lay with me
Call of the search we'll watch a movie

Oh well I suppose, I suppose
Call off the search
