It begins with the quest  
To dethrone my kings and queens  
I believe in a better life, a better breed  
Just watch you'll see  
With the actions of my sword  
My enemies will fall to their knees  
When all is done  
I will have conquered everything

Oh,  
My reign will ascend

As I wear the crown and you bow before me  
Many have tried but no one will succeed  
I will never see another day of failure  
Which one of you will try to dethrone me

Let's go  
Long days and nights lead to this endless road  
Let's go  
It's just a meaningless fight  
I will never let go  
Long days and nights lead to this endless road  
So let's go!  
It's just a meaningless fight  
Don't wonder why because

I will never see the day of failure  
I will never see the day of failure

My reign will ascend

And I will never see another day of failure

As I wear the crown and you bow before me  
Many have tried but no one will succeed  
I will never see another day of failure  
Which one of you will try to dethrone me  
As I wear the crown and you bow before me  
Many have tried but no one will succeed

Checkmate!  
My reign will descend from above and I will conquer  
all!
