Earnest man you've been talkin
Droppin lines, hopein I'll bite.

Earnest man you've been stalkin'
Feedin lines, hopin I'd bite

I said I can go all night
Fisherman, you know where to find me

Ooo, I can't hide
Fisherman, you know where to find me

Feed me lines x3

Go on feed me lines

Mmm)

When I was a young one
My momma said to me, child,
She said oo child you'll be better to learn to run
When those hungry ones come

Ooo I can go all night
Fisherman, you know where to find me

Oh, I can't hide
Fisherman, you know where to find me

Show me where your line is (x3),
Show me where your line is, fisherman

Show me where your line is (x3),
Show me where your line is, fisherman

I can't hide, I can't hide
I can't
Hide

Earnest man you've been talkin

Feedin me feedin me lines
Earnest man you've been stalking
Droppin, oh droppin your lines

Oooo
I can go all night
Fisherman, you know where to me.

Oooo I can't hide
Fisherman, you wknow where to find me.
(I can not hide)

Oooo
I can go all night
Fisherman, you know where to me?
(I can not hide)
Oooo I can't hide
Fisherman, you know where to find me.

Repeat last part... fades out
