Â‘Bout the time I lie back
And we stare at the night.
Â‘Bout the time, you took my hand
And you whispered, too, my name.
There you were beside me with open arms,
CanÂ’t hide a thing.
Do you see the side of me,
This side of me that no one sees?
Looking back on that night,
Oh how I wish youÂ’d stayed the night.

Oooh aaaah ooooh.

Soon weÂ’ll be, here alone.
Soon weÂ’ll be, here alone.

Â‘Bout the time I lie back
And we stare at the night.
Â‘Bout the time, you took my hand
And you whispered, too, my name.
There you were beside me with open arms,
CanÂ’t hide a thing.
Do you see the side of me,
This side of me that no one sees?
Looking back on that night,
Oh how I wish youÂ’d stayed the night.

Oooh ooooh.

Soon weÂ’ll be, here alone.
Soon weÂ’ll be, here alone.
Soon weÂ’ll be, here alone.
Ohhhh soon weÂ’ll be.
