Hold on, I know  
You think what you see is what you get, but no  
And you're waiting for the feeling to show again  
It's getting harder now  
To pretend

Fall out of love  
But it's still hanging over you like a shadow  
Try to shake it off  
Sit down and start tearing it off your toes  
It's getting harder now  
To let it go

[Chorus]  
Oh, oh, oh  
We're letting go  
Oh, oh, oh  
We're letting go

Hold on, I see  
You give everything you have just to believe  
And what you give ain't what you get  
When you're crawling on your knees  
Just sit there watching now  
As he lets go

[Chorus]  
Oh, oh, oh  
We're letting go  
Oh, oh, oh  
We're letting go

Waiting, watching  
I know who you are  
Just sit there feeling at your scars  
We'll touch down soon enough  
It'll fall into place  
Just give it time  
Give it space  
Give it space

[Chorus]

Oh, oh, oh

We're letting go

Oh, oh, oh

We're letting go

Sit down and close your eyes

We're letting go, we're letting go

Sit down and close your eyes

We're letting go, we're letting go

Waiting, watching

I know who you are
