Oh let the lord
Oh let the lord
Oh let the lord come down on me.

Oh let my soul
Oh be saved
Saved from wandering aimlessly.

Oh God forgive
Oh God forgive me
Oh God forgive me what I am
And if my deeds
Offend your creeds
Let me walk among the damned.

Oh highest judge
Oh highest judge
Oh highest judge do speak my sins
In time of need
In time of need
I stole to feed my kin.

Oh let the lord
Oh let the lord
Oh let the lord come down on me

Oh let my soul
Oh be saved
Saved from wandering aimlessly.
