"Well Well"

I'm the divine criminal.
I'm a self-damned man.
Am I not the great accursed?

I'm a hungry man, baby.
I'm a hungry man, mama.
I'm a hungry man, baby.
I'm a hungry man.

You call me crazy baby
You call me crazy mama.
You call me crazy baby.
You call me crazy, wow!

Maybe I'm not so crazy.
Maybe I need someone who cares
Maybe I'm not so crazy
Maybe if there was someone there.

Well, Well, Well, Well, Well
Well, Well, Well.
Yea yea yea yea yea
Yea yea yea!
