"Whoa"

You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"
You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"

And I do decree
I've gone too far this time
The rain is a thick curtain on the outside
The flashing blue lights
And darling, when the
Tick
Tock
Turns to a chime
We'll pour the wine
It is time, my little valentine

You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"
You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"

And last night I did dream
We ended it in style
We edged a little closer with every
Turn of the siren
And when we were assured
Our backup had failed
We
Let go
Of the rail
And did fly
In a mackerel sky

You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"
You didn't think I'd let you go,

Did you?
While everyone says "Whoa!"

You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"
You didn't think I'd let you go,
Did you?
While everyone says "Whoa!"
