Check this out, this Warren G, Y'know what I'm saying
Chilling wit my man Slick Rick, you know
And we gonna give you all a little tale about this jail
stuff
You know, so Rick, why don't you run it homie, yeah

In the slammer kid but I'm innocent, Lord played witty
Wasn't havin' any pity now wit razor blades, did he
Cry suppose the situation seen mad eyes of foes
Drives a Rolls, hey yo, money, what size are those

Need to phone me to anothe sprang up, hmm to gang
up
On the skid, housin' the phone like he didn't know how
to hang up
Would be hard though ought a minute or so and then
yells time on a
And when you get your commisary, buy this and that or
else I'm gonna

Be on that ass and won't stay off, extort, fig I say, way
off
Beaten death, you ain't protectin' me, forgot today's
my day off
Hold my head and drift the sumo weighin' nuts and
cars
Instead of sittin' here accumulatin' cuts and scars

Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars

Showin' off 'cuz on the phone, click, losin' all the hoes
off
Nigga's housed the watch and donna took all of the
clothes off
Nigga hell with the was for my clothes figured tellin'
Every night it seem like mice be in and out a nigga cell
and

Still ain't home, like on the hook seen a bunch of kids
look

Miss outdoors, never know what you have until it's
taken
And in fact, the moment you fear, all of that, you quote
snaps
Well in a cell, did the exercises and wrote raps

I be a bigger star than you, no never heard of the nigga
Takes my raps and read aloud, I want to murder the
migga
Just kiddin', no offend to it, finally he ended it
Case dismissed but your honor, da kindly prevented it

He told to the judge, don't free him, this brother trigger
wars
And not just that because I refuse to wash some jive
nigga doors
So hold the head, drift the sumo weight and nuts and
cars
Instead of sittin' here accumulatin' cuts and scars

Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars

One fight, the nigga trip, seal the rest he might scared
By couldn't squeal, I's like officer that nigga right there
Now if he ain't get me his friends will, needed a utensil
It turn out, I had to stab him in the eye wit a pencil

State of shock, he made a yell, I said, now what you
want traitor
CO puts me in the bin, I see ya about a month later
Back in population, didn't matter that his friends
tensed
The phone prints, the years added to the sentence

Still chillin' and all of that and I escaped when the
damn thing sold
Don't hit the sto' 'cause they made a rape attempt
Thank goodness, failed, call out next, he wailed out
Here go the CO, Ricky Walters, back up, bailed out

The CO couldn't see the rape, the kid'll snitch mass
figure
Fast trigger, you'll be back, you little bitch ass nigga
Au vare, back to datin' sluts and stars
At least for now, no more accumulatin' cuts and scars

Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars

Behind bars, behind bars, behind bars
Behind bars, behind bars, behind bars
