Hey young world... the world is yours
Hey young world... the world is yours
Young world young world... the world is yours
Young wo-ah-huh-huh-huh-urld

This rap here... it may cause concern its
Broad and deep... why dont you listen and learn
Love mean happiness... that once was strong
But due to society... even thats turned wrong
Times have changed... and its cool to look bummy
And be a dumb dummy and disrespect your mummy
Have you forgotten... who put you on this earth?
Who brought you up right... and who loved you since
your birth?
Reward is a brainwashed kid goin wild
Young little girls already have a child
Bad company... hey, now youve been framed
Your parents are hurting... hurting and ashamed
Youre ruining yourself... and your mommy cant cope
Hey, little kids dont follow these dopes
Heres a rule for the non cool... your life, dont drool
Dont be a fool like those that dont go to school
Get ahead... and accomplish things
Youll see the wonder and the joy life brings
Dont admire thieves... hey they dont admire you
Their times limited, hardrocks too
So listen, be strong, scream whoopee-doo
Go for yours, cause dreams come true
And youll make your mommy proud... so proud of you
too
And this is a message... that the ruler rick threw
And its true

You know, you know what, you know what, you know
what?
We like to party, like to party
(repeat 3x)

Hey young world, the world is yours
Hey young world

Yo peep this

Hey mr. bigshot... hey, dont you look fly?
But you dont have a nickle... ohhhh, my my my
Youve been fightin again and, you forgot why
Hey kid, walk straight, master your high
Whyyyyyyyyyyyyyyyyyy.... because you make your family
cry
And all jokes aside, are you in good health?
Hey little boy... now have you really checked yourself?

Youre a disgust, you know someone that I cant trust,
youd
Steal moms welfare... and youd run and buy some
dust, and
Plus, a must so... bigshot youre not
Your friends are talkin and Im hearin that your girls are
what?
You didnt know? go steal and rob
And while youre at it... go get a suit for a j-awhh-ob
You see youre actin like this urge is demandin
Cmon, wake up... have some understandin
Societys a weak excuse for a man
Its time for the brothers... rap is trying to take the stand
Believe it or not, the lord still shines on you deep
Guides you... and he watched you as you grew, plus
Past the age of... a little child, thats true
But folks your age dont act like you do, so
So be mature... and put the point to a halt
And if youre over eighteen... I wish youd act like an
adult
Dont live in a world... of hate hate hate
Pull yourself together... and get yourself straight
Men dont steal... hey, most dont borrow
And if you smoke crack... your kidsll smoke crack
tomorrow
So be more mature... and kids do your chores
Make your own money... hey, be proud thats yours
You know why, cause thats a man... thats brains no
spite
Stayin out of trouble... when it comes in sight
And a man never loses a fight... in gods sight
Cause righteous laws are overdue
And this is a message that the ruler rick threw
And its true

You know, you know what, you know what, you know
what?
We like to party, like to party
(repeat 3x)

Hey young world, the world is yours

Hey young world...

Yo peep this...

Mc... ricky... d...

The grand wizzard...

And his partner...

And his and his and his partner...

Say what?

La-di! da-di! la-di! da-di! (repeat 2x)

La-di-da-di...
