Check, check, check, check, check, check
Yeah, they say that Rick, Rick is

You're all garbage that type talk, I'm on
Dumb one becomin' glad, the great one walks among
Whisperin', couple, I scuffle eye
You little feedback, niggaz, don't want any trouble

Rick'll own clout, sewn 'bout
Lick a throw now, how 'til death I kick a bone out
Why pursue for folk object?
My record will be barkin' all through your broke project

Yes, my dog art, best to park her, kark her
You don't want death to walk her
Not sayin' that, ain't nuttin' could do me
But in the rap game, all secondary to me

Whoa, whatever I settle
If a nigga wanna eat, he better never cry, battle
Hell, yeah, ram the one, sell fare, elsewhere
Put you and your family on welfare

Ricky D, rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Ooh, twist shot, bitch, voter ignores
Watch toys duck, consider rap's ultimate voicebox
Devour and addressin' dem coward
How can one man possess so much power?

Rhyme tearin' through, bash all trifle
The eyes and spare a few assholes lives
This object, brothers are glued to knob, lick
'Scuse me, if I'm bein' overly rude to public

The favorite, make you fall in love, make whoever with
Clever kid, make you do the best steps, you ever did
The trick is, managin' to kick it
It's no such thing as challenging the Slickest

It's double or sure shot, crumble before spot
I know, must be humble before God
Ringing, cat must fear kinging
Party over here, type atmosphere spinning

Ricky D, rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Oh, I toy your cheddar top netter
You find me a human being, boy or girl better
It's short son, nurse and them sound kick bark on
Stop talk, stop worshipin' the ground, Rick walk on

Bitch, play number one, bougie
Wish they could give motherfucker some pussy
Seen the face of supreme in tasteness
Never see another human being this greatness

Successful and the hype is effectful and
Sorry, God if bein' any type disrespectful and
Hip hop, assume pop's acquitted
Now with tick tock, you don't stop, hit it

Command Rick, shower the firmament
Earnin' it, tremendous power is permanent
Unless frame interest dame
Let's name who the king piece in the chess game

Ricky D, rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Rip it up, your watery blood
Ain't thick enough, yo, wack, niggaz, ain't slick enough
Ready and willin' to face you, death awaits you
The king piece in the chess game, to checkmate you

Yo, we can battle in front of the castle, I'll disgrace you
I roast you, I burn you, I bake you
I cremate you, I motherfuckin' hate you
The king piece in the chess game'll check mate you,
nigga
