[Scratching] get, get, get, get, get a lil' stupid (Let's get crazy!)

[Scratching] get, get, get, get, get a lil' stupid (Let's get crazy!)

[Scratching] get, get, get, get (Let's get crazy!)

[Scratching] get, get, get, get, get a lil' stupid (Let's get crazy!)

[Verse One]

Well it's me, and it's time to mingle

So wake up world and bus' out my new single

I take dead bodies and I boost them up live

So straighten up and be alert because the ruler's arrived

No {Not uncle sam} but I can still recruit

As {Hip-hop commander} of the people's troop

So troop be troopers and follow commands

Cuz' {No one can rule like the ruler Rick can}

Though some like it hot and some may like the shock

So let's get together what I mean is rock

No vanity, insanity {Strictly cloud}

Now put your hands together and scream and shout

{Go Slick Rick!} and then go bizerk

But {Keep it at a limit so no one gets hurt}

And don't be boring please not lazy

My jam's packed so let's get crazy

[Chorus]

[Scratching] get a lil' stupid (Let's get crazy!)

[Scratching] Get, get, get a lil' stupid (Let's get crazy!)

[Scratching] Get, get, get a lil' stupid (Let's get crazy!)

[Scratching] Get, get, get, get a lil' stupid (Let's get crazy!)

[Verse Two]

The original, that's the title I've earned

Anybody disagreeing been burnt' and learnt'

Told a theif straighten up as I humble hell

And I {Bring a little rhythm} wherever I dwell

Cuz' the door's wide open and I'm taking a chance

As I dip through Europe and I'm going to (France)

[Scratching] get a lil' stupid (Let's get crazy!)
