Sometimes I go flying so high, my soul falls from grace  
Sometimes when I'm down and low, all I need is to see  
your face

In my dreams you come to me and show me how to  
find myself again

But time is never on my side and then I fall back down  
inside my pain

Sometimes I fall away,  
I cannot find myself  
Sometimes is not today

Sometimes when I want you to go all you do is stay  
Sometimes all you do is talk but I don't hear a thing you  
say

I get lost inside my mind and I just want to find my way  
home

There's no turning back from now I'm gonna have to  
live my life alone

Sometimes I fall away,  
I cannot find myself  
Sometimes is not today

Sometimes I go flying so high, my soul falls from grace  
Sometimes when I'm down and low all I need is to see  
your face

In my dreams you come to me and show me how to  
find myself again

But time is never on my side and then I fall back down  
inside my pain

Sometimes I fall away,  
I cannot find myself  
Sometimes is not today
