"Shake This Town"

I won't make it up to you
I swear to god I can't
People searchin' nightly
Looking for something more than romance

Faking affection
Trading their lines
Going in bed rooms two at a time
I want something else
I wonder if that's a crime

I wanna shake this town tonight
(I wanna shake this town tonight)
I wanna break this streak
And finally do something right

(Repeat)

Hold your breath
I'll hold your hair
And maybe hold your tongue
Smoke too many cigarettes
Your bound to lose a lung

Baby I'm messed up
Socially confused
Paranoid schizo
Mentally abused
Death or medication man
Which do I choose?

I wanna shake this town tonight
(I wanna shake this town tonight)
I wanna break this streak
And finally do something right

(Repeat)
(Repeat after solo)

I wanna shake this town tonight
I wanna break this streak

And finally, finally do something
RIGHT
