It's one in the morning but I can not sleep. I'm thinking about you. If you were here I know you'd make that face. So I'll sing this little song for you Which one is that? and hope that you know I'm thinking of you now. The one that makes me laugh. So I'll sing this little song for you alone. Alone in my room. Lying here worried sick. God I hope she's alright now, I can't imagine what I'd do. and hope that you know I'm praying for you now. It's one in the morning but I can not sleep. Alone in my room. So I'm gonna say this little prayer for you So I'll say this little prayer for you alone.
