I feel far from all I know  
Feel so far from myself  
Another day, another town  
Another state

Does it even matter now?  
With nothing good to say  
I'm talking in my sleep

In all the time that has gone by  
What's the lesson to be learned?  
In all the time that has gone by  
Only You have stayed the same

Sometimes I cry about the past  
All I can do is learn from my mistakes  
Not make the same ones twice  
I don't have the strength to do it all alone  
Thank God, I'll never be

In all the time that has gone by  
What's the lesson to be learned?  
In all the time that has gone by  
Only You have stayed the same
