I'm so addicted to the loving that you're feeding to me
Can't do without it, this feeling's got me weak in the
knees
Body's in withdrawal every time you take it away
Can't you hear me callin'? Begging you to come out
and play?

So baby, come to me
Show me who you are
Sweet to me like sugar to my heart
I'm craving for you, I'm missing you like candy

Sweet, sweet loving got me going to the extreme
Won't go without it, this vibe has got a hold on me
Satisfying baby, let me show you what I'm made of
No doubt about it, boy, got me feeling crazy, can't get
enough

Baby, baby, baby won't you come to me
Show me who you are
Sweet to me like sugar to my heart
I'm craving for you, I'm missing you like candy

You know who you are
Your love is sweet as candy
I'll be forever yours
Love always, Mandy

So baby, come to me
Show me who you are
Sweet to me like sugar to my heart
I'm craving for you, I'm missing you like candy

So baby, come to me
Show me who you are
Sweet to me like sugar to my heart
I'm craving for you, I'm missing you like
I'm craving for you, I'm missing you like
I'm craving for you, I'm missing you like candy
