You are so special to me
You bring so much joy to my life
I can't imagine what it would be like
If you were not around

Only by the Grace of God
Can I enjoy your precious friendship
How was I so blessed? How was I so blessed?

You mean more than the world to me
You've shown there's more to life than greed
Through all you've given me

I'll I'll I'll try my best
To always be there for you
'Cause that's what you've done for me

It won't always be easy
Sometimes it's give and take
But I'll do my best to take less than I give
