When I look at all that has been given to me
I'm so grateful for all that we've shared
I can't imagine living life without You
Where would I be if You didn't care?

I know I'm truly blessed to have You in my life
I wish I could give back as much as You have given me

You're there for me when I wake up
You're there for me when I fall asleep
Sometimes I don't act how I should
But You still love me

I wish I could do more to show You my respect
I wish I could do more
I wish I could do more to show You my respect
I wish I could do more
