I wake up, a new day has come
It seems so hard to get out of bed
Sometimes, I question what is it for
It gets hard to find meaning in the routine

I've tried so hard to do it on my own
Sometimes, I feel like giving up
But I've got to try
Why don't I try?

Try to find the meaning of this life
I know that God has His reasons
Peace of mind, it comes and goes all the time
When will I learn to trust?

Concentration has left me now
I can't see Your face everyday
Abstruse thoughts, they tear me apart
I must see Your face everyday

All the time I look into Your eyes
And then turn away on my own
Will I find the plans You have for my life?
This life just seems too short

Concentration has left me now
I can't see Your face everyday
Abstruse thoughts, they tear me apart
I must see Your face everyday

Make my life Yours
(Make it Yours)
Make my life Yours
(Make it Yours)

Make my life Yours
(Make it Yours)
Make my life Yours
(Make it Yours)

Make my life Yours
(Make it Yours)

Make my life Yours
