Da Boy Wonder:

Eh yo, band, cut me up, yo  
Immature, Darkchild  
All day everyday  
You can see me in the drop top S L K  
D to the A to the R to the K  
Child it's been a while  
And I still can't wait

Mr. Mike Nitty:

Well excuze me  
Can I have your attention  
There's just a few things  
That I've got to mention  
I know you don't know me  
But my name is Mikey  
And after this shhh  
You're sure to like me

Chorus

I can't wait (Oh baby I can't wait)  
To see you today (See you today)  
I got you on my mind (Baby I can't wait)  
To see your face (To see you today)

Repeat

Batman:

Tell me what time are we hookin' up  
Cuz I can't wait (Until we get in touch)  
Girl you got me open like an all night store  
So come on girl  
I'll give you what you're lookin' for

Chorus

Batman:

You should know just how I feel  
When you come around, I feel so good inside  
That's why I need you girl right now  
I can't wait, baby

Chorus

Batman:  
Won't 'yall break it down  
Break it down

Da Boy Wonder:  
Mr. Mike Nitty get down right now

Mr. Mike Nitty:  
Now now now now  
Who make you boogie like me, nobody  
(You jigglin' baby)  
Drive them young girls crazy  
Yo, how it go let me know the deal  
Shorty slam outta my gas  
So tell me how it feel

Da Boy Wonder:  
I'm the big boy  
That makes the big hits  
Stack the big chips  
Float the big whips  
Baby, dig this  
Got ice on my wrist  
We eat on platinum plates, around eight  
I just can't wait

Chorus
