My head says no but my heart says go  
Strugglin again and again  
So keep your apologizin to yourself,  
Cuz lovin you's a sin baby sin  
I may forgive but I don't forget,  
Yah you've gone and burned that bridge  
So it's time for me to let go,  
And take this for what it is

CHORUS:

This time when you come around honey  
My back won't be against the wall  
You may have taken a piece of me  
But you can't have it all

I thought that I could trust in you  
I thought you were my friend  
But You played my heart like a deck of cards,  
And it feels more like a loss than a win  
I've been dealt this hand before  
So I know just how this ends  
You take me to the top  
Where I love you the most,  
Just to drag me back down again

CHORUS

This time when you come around honey  
My back won't be against the wall  
You may have taken a piece of me  
But you can't have it all

I still hold the pieces that you never bothered to see  
I'll give them to someone who wants every part of me-

CHORUS X2

This time when you come around honey  
My back won't be against the wall  
You may have taken a piece of me  
But you can't have it all
