Hey hey hey it's my birthday, you missed it  
Don't worry about the cake and the present  
I'm gonna buy it, eat it, feeling selfish  
I think it's ok, you talk about your office about gossip  
and your colleagues  
Gonna get sick of this, yeah, of this

I'm Not mister muscle but I can be loathsome  
And I can hustle you  
Not mister muscle but I can be loathsome  
And I can hustle you  
Wake up, ding dong hey Ding dong, wake up

Hey hey hey I'm quite bitter and you're a sucker  
You must be aware of this  
I'm kinda lazy, you're in a hurry  
You scare me, now I'm well aware of this  
You talk about business it's an illness, what I mean it's  
You must dream a little bit like me

I'm Not mister muscle but I can be loathsome  
And I can hustle you  
Not mister muscle but I can be loathsome  
And I can hustle you  
Wake up, ding dong hey Ding dong, wake up

Run, move, choose, look, like a kid man like kid  
Papa said Papa Papa said, ding ding ding dong ding  
ding ding dong

Hey hey hey it's your birthday, you missed it  
Hey hey hey it's your birthday, you missed it

I'm Not mister muscle but I can be loathsome  
And I can hustle you  
Not mister muscle but I can be loathsome  
And I can hustle you  
Wake up, ding dong hey Ding dong, wake up.
