Woo  
Good good  
Yeah  
Does it feel good? Yeah  
It feels good, waking up you're the first thing on my  
mind  
It feels good, when I wake you are right here by my  
side  
It feels good, giving you everything your body could  
ever need  
I don't wanna roll if u can't roll I cant let you go, wont let  
you go, baby  
Good morning sunshine, welcome you  
Welcome you to my lifetime  
Don't it feel good? x4  
Don't it feel good good good  
It feels good going to bed after I lay you down  
It feels good when I'm kissing your body watch me go  
all the way down  
It feels good when I'm giving good love and we keep it  
on the low  
I don't wanna roll if u cant roll I cant let you go, wont let  
you go, baby  
Good morning sunshine, I welcome you  
Welcome you to my lifetime  
Don't it feel good x4
