Feeling dehydrated
Thirsty for your lovin'
You can fit me in now
in between your schedule
I don't wanna pressure you, no

Got me kinda frustrated
But you don't come around and take it
Wanna see your faces
when I take you places
You ain't never been before

Three times ain't enough
Twelve play ain't enough
Gotta see you come back to back
Over and over, and over and over again

I'm addicted to your cummin'
I'm addicted to your cummin'
Don't stop cummin'

I'm drain ya,
body
till you don't wanna think of nobody
my body
your body
think of me when you wanna get naughty

Forget about aerobics
I'm your 24 fitness
We'll work on your cardio
to breeze up the stamina
till you are as ready just go

Love to see your reaction
to how long I be lastin'
You can be my safety
I can be your repeat
We can make a musical

Three times ain't enough
Twelve play ain't enough

Gotta see you come back to back
Over and over, and over and over again

I'm addicted to your cummin'
I'm addicted to your cummin'
Don't stop cummin'

I'm drain ya,
body
till you don't wanna think of nobody
my body
your body
think of me when you wanna get naughty

I can be that pocket rocket
go wherever you go
12 o'clock come you'll be my lunchable
I need no batteries
Gonna make you wanna marry me
come until you just can't come no more

From to the window to the wall
baby, let's go
I'mma make you skeet, skeet
'til you change that sheet

Three times ain't enough
Twelve play ain't enough
Gotta see you come back to back
Over and over, and over and over again

I'm addicted to your cummin'
I'm addicted to your cummin'
Don't stop cummin'

I'm drain ya,
body
till you don't wanna think of nobody
my body
your body
think of me when you wanna get naughty
