Slim-She Got That

Been around the world,  
Seen a lot of girls,  
Bad as you wanna be,  
Know that I'm a flirt,  
Looking like models,  
Hot bodies,  
Designed in the shape of coke bottles,  
I've seen a lot of them,  
But I don't know,  
Where this on right here came from,  
Coz she got what I need,  
And she got just what I want,  
And it all comes to mind,  
Baby you ain't seen nothing,  
Got your boy feeling like dude,

This one is my shawty,  
Everybody know,  
Never seen a woman like this one before,  
Definition of a lady,  
I can't let her go,  
Gotta have her with me,  
Coz it's like that,  
Coz she know she got that,  
I've been all around the world and never seen a girl  
that,  
Got me all up in lock, now because she got that,  
Whoa, whoa, yeah she got that,  
Try to leave alone,  
But I can't,  
I'm coming right back,  
Whoa, and now the girls know that I ain't leaving,  
Whoa, everybody know that she the reason,  
Whoa, whoa, yeah she got that,  
Whoa, whoa, yeah she got that,

Whoa, Shawty is a 10,  
Got me runnin back,  
Over and over again,

She can beat me like the wind,  
Trying to control it,  
But I lose my mind every time she let me hold it,  
I think she got me falling,  
And the pressure still,  
Got me feeling gone,  
Acting like she appeared,  
But I like you appeal,  
I don't wanna change it,  
Shawty got me feeling so good I had to name it,

This one is my shawty,  
Everybody know,
