Let me tell you how I feel about you, girl  
You're my friend, my lover, my world  
You're the air that I breathe, you're what I need  
Like a car needs gas, girl, you mean so much to me

When I'm out on the streets at night  
You don't have to worry, it's alright  
Even though we argue, we fight  
We kiss, we make up, we always work it out  
'Cause you mean so much to me

I love the way that you walk  
The smile, your sexy talk  
Make me wanna act up, crazy thoughts  
Lord, I can't stand but it ain't your fault

Anything you ask for, got it, it's yours  
The keys to the crib and all of the toys  
I hate to be here away from you for too long  
So I gotta hurry up so I can get back home

'Cause I'm so gone, so gone over you  
I'm crazy over you, baby  
I'm so gone, so gone over you

I'm so gone, you ain't gotta tell me 'cause I already  
know  
Take the burden off your shoulders, let the pressure go  
You don't owe me an explanation  
We're in a situation that gave us inspiration to grow

I could say a few things that I don't like  
But I can say a million things that changed my life  
I'm so gone  
Now we just gotta hold on and go strong

I love the way that you walk  
The smile, your sexy talk  
Make me wanna act up, crazy thoughts  
Lord, I can't stand but it ain't your fault

Anything you ask for, got it, it's yours

The keys to the crib and all of the toys  
I hate to be here away from you for too long  
So I gotta hurry up so I can get back home

'Cause I'm so gone, so gone over you  
Baby, baby, I'm so gone, I'm so gone over you  
Got me goin' crazy  
Don't you know you got me goin' crazy

Let me take the time to let you know, yeah  
I can't see myself with no one else but you  
You're the sun, and girl, I ride with you, you  
I'm so gone, so gone

I'm so gone, so gone over you  
Crazy over you  
I'm so gone, so gone over you  
Oh baby, yeah

I'm so gone, so gone over you  
All for love, baby  
I'm so gone, so gone over you  
So crazy over you

Crazy over you  
So crazy over you
