If there were words as large as my love I'd say them  
If there were notes as beautiful as you I'd play them  
And if I could make the world stop for you I'd do it  
Take your hand, ease your pain, and get you through it

Today is the sweetest day to be with you

God only knows how he will appraise me  
But words cannot describe you how you amaze me  
If I could conquer all your fears for you I'd show you  
That I'm the one, I'll lead the way just like I told you

Today is the sweetest day to be with you  
Today is the sweetest day I ever ever had  
'cause you're mine  
Today is the sweetest day I ever ever had  
In my time  
Today is the sweetest day I ever ever had  
'cause you're mine

Could I have failed to let you know  
how much you mean to me  
Is there some way I could show a way to make you see  
Everything I do I do for you  
Everything I do I do for you

Today is the sweetest day  
Today is the sweetest day I ever ever had  
'cause you're mine  
Today is the sweetest day I ever ever had In my time  
Today is the sweetest day I ever ever had  
'cause you're mine

If there were words as great as my love I'd say them  
If there were notes as beautiful as you I'd play them  
And if I could make the world stop for you I'd do it  
Take your hand, ease your pain, and get you through it

God only knows how he will appraise me  
But words cannot describe you how you amaze me  
Misunderstandings, bitter taste, hurtful words spoken

in haze

May I tell you now that life without you is no life at all

You are my love and that is all

That is all

Today is the sweetest day I ever ever had

'cause you're mine

Today is the sweetest day I ever ever had In my time

Today is the sweetest day I ever ever had

'cause you're mine

Today is the sweetest day I ever ever had In my time

Today is the sweetest day

Your day in the sweetest way...
