Da Shop Boyz!

(spoken)

Listen up, bad guys
If you ever want to take of the world someday
You're dead wrong
Ya know why?
Cause the Elite 8 is comin' to town!

(guitar riff)

(chorus)

JHKLSBBR, watch out
JHKLSBBR, watch out
JHKLSBBR, watch out
JHKLSBBR, watch out

(Covey's verse)

Jin Kazama is a man with lots of strength
If you wanna challenge him
That's okay
Hwoarang is a dude from Korea
If you stand in his way
He's gonna beat ya
Kazuya Mishima is Jin's father
He's don't wanna fight ya
Man, that's a bother
Lee Chaolan is a big billionaire
He gets all the girls and plays truth or dare!

(chorus)

(Scary Harry's verse)

Steve Fox is a boxer from the UK
When we wins
he'll make you eat hay
Bruce Irvin is a big dude
He's good at Muay Thai
And yes
he'll beat you
Bryan Fury is a mean old cyborg

Before Tekken 2, he was a minor
If ya stand in Raven's way
He will jump out
And be like "Hey!"

(chorus)

(Jin)
Listen up
I know you guys are tired of fighting all day
But we are the Elite 8
And we work together as a team
Now, who's with me?!

(HC's verse)
J stands for Jin Kazama
H stands for Hwoarang
K stands for Kazuya Mishima
L stands for Lee Chaolan
S stands for Steve Fox
B stands for Bruce Irvin
