(guitar riff)

Yo
It's Da Shop Boyz
Tekken 5
We about to do this thing for ya
Let's go

(Covey's verse)
I don't know what's wrong with me
What the heck is wrong with me
I'ma bout to die
And it's a rock sympathy
What's up with ya
Ya think that I'm the devil
And ya ballin', huh?
You're goin' down in the dirt, cuz
It's called a takedown
I can't take it anymore
One breath I take
And my girl's walking out the door
Don't pitch a fit
You're only one second away from making me itch
And now
Ya make me sick!

(chorus)
You cannot ball like me
(What?)
You cannot fight like me
(What?)
You can't talk trash like me
Cause it's Tekken, boy
T-T-Tekken, boy
(Yeah!)
You cannot ball like me
(What?)
You cannot fight like me
(What?)
You can't talk trash like me
Cause it's Tekken, boy

T-T-Tekken, boy

(Scary Harry's verse)

The Devil Gene's inside of me

Ya know I'm warming up

I'm so angry

And you're about to throw up

Ya think ya cool

Well, ya know I'm better than you

And ya not cool

Man, I'ma make ya drool

I got lot of energy

I'm rapping this song

It's just about you cryin' to ya momma

Now settle down

We about to settle this right now

Playa, ya goin' down!
