There she goes with her nose in the air  
Funny how love can be

Wonder why she pretends I'm not there  
Funny how love can be  
Funny how love can be

There she is with her look in her eyes  
Hasn't got time for me

Wonder why she pretends I'm not there  
Funny how love can be  
Funny how love can be

What a thing to happen  
Left without a friend  
What a thing to happen  
Funny how true love can end

I can see that she just doesn't care  
How can I make her see

I'm in love, but it just isn't fair  
Funny how love can be  
Funny how love can be

Ooh...  
Funny how love can be  
Ooh...  
Funny how love can be
