You don't have to tell me
He's in town (He's in town)
He's back in town (He's in town)

Girl, I knew just what was wrong
When you weren't home
Each time I'm gone all week long

And now, I see it in your eyes
The look that you have when you're thinking of him
Can't be disguised

I was afraid he'll come back someday
And I'd be the one to lose
I knew when you saw him
You wouldn't ignore him
And he'd be the one you'd choose

No, you don't have to tell me
He's in town (He's in town)
He's back in town (He's in town)

No, you don't have to tell me
He's in town (He's in town)
He's back in town (He's in town)

He's in town... (He's in town)
You don't have to tell me...
