You're Not Alone  
By: The Royal Knockout

You're just waiting on someone to come, and turn your world around.  
You're waiting on something to change.  
And when you're losing all the things that make you feel you're in control.  
You're losing all the things that stay the same.

Whooo oohhh  
Whooo oohhh

When hearts start breaking your soul.  
Take my hand and away we will go.  
It's all about losing control.  
When you don't have to fight the whole world on your own.

Whooo oohhh  
Whooo oohhh

And as you wonder if this bitterness, will ever come to end.  
You wonder if this hurt will go to rest.  
And when you'll follow your heart to lead,  
Wherever it goes.  
You're following the half-filled hole in your chest.

Whooo oohhh  
Whooo oohhh

When hearts start breaking your soul.  
Take my hand and away we will go.  
It's all about losing control.  
When you don't have to fight the whole world on your own.

Whooo oohhh  
Whooo oohhh  
Whooo oohhh

Whooo oohhh

You don't have to fight to whole world on your own.
