(Slim Thug)

Win, riding in a cock-eyed Benz  
Light blue lens, dro'd out with all of my friends  
Ball-balling shot calling, 20 inch crawling  
Me and them boys all in, something with screens falling  
Playing to win, riding in a cock-eyed Benz  
Light blue lens, dro'd out with all of my friends  
Big ball shot calling, 20 inch crawling  
Me and them boys all in, something with screens falling  
Candy sprayed, stay at the club L.A  
My neck wrist and chest, will show you I'm payed  
I'm made-made, like my name's Special Ed  
Boy your baby mama giving head, in my Chevy black  
bed  
I'm baller bread, nigga I was raised to grind  
Raised to shine, I made heads turn all the time  
Hogg-Hogg and Short Stop, in a Bentley soft top

Sharpstown bound, bout to shop till we drop  
I can't stop, the cash keep calling  
Like Lil' Troy, Slim Thug back to balling  
No stalling uh-uh, I stay about that do'  
And if you don't know, now you know nigga

(\*talking\*)

Slim Thugger, E.S.G  
T.T., Short Stop, Boss Hogg Outlawz  
Put it down, we back to balling  
For the 2002, ha  
(Pussy's a whole different aspect of life  
Wars don't start if the country, if the country over there  
winning  
Pussy is one of the most powerful things in the world  
And a lot of people don't understand, how powerful  
pussy is  
Pussy make niggaz blow their brains out, they bitch  
brains out  
Or pussy make people do things they ain't never think  
they'd do)
