(Everybody loves a pimp)
The way I talk, the way I dress
I keep so clean and I'm so fresh
(Everybody loves a pimp)
The ice I wear, the car I drive
The ho's I got [Incomprehensible]
(Everybody loves a pimp)

When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)

You know tha boss got bitches gallore
And you may have a lot of bitches but he got much
more
From D-K-N-Y to the Malibu shores
I got a chick in every city I can go on tour

And you need a pimp in yo life that is gonna guide you
right
Won't hand cuff you when you tryin' to creep at night
I don't lose sleep at night anymore
But now I don't care I be hibernating call me yogi the
bear

I'm a pimp, baby, that's why I hold my nuts and walk
With a limp, baby, I know you're tired of dealing wit'
All this sense, baby, so go on and hop
On my team and drop your whimp, baby

Slim ain't wit' gettin' drama from chicks
So when my boo turn bitch that's my cue to switch
You won't catch me throwin' lics 'cause my feeling's
involved
I just erase 'em out the black book, problem solved

Best you learn how to keep your mouth closed
I got zero toleration for ho's
Move to the next one, there's plenty of fish in the sea
Plus there's plenty other chicks that dig me

I'm a pimp, baby, that's why I hold my nuts and walk
With a limp, baby, I know you're tired of dealing wit'
All this sense, baby, so go on and hop
On my team and drop your whimp, baby

My advice is keep it pimpin'
All you see me with is g's and hustlas
Still a pimp gon' keep on runnin' it
