[Intro]

We gon' get her.. Pussy ass motha fucka

Gotta (gotta) get her (get her)  
(G-g-g-g-ch-ch-ch) Met her at the club, Get this song  
playin' (G-g-ch-just gotta get her) x4

[Verse 1]

I gotta get her,  
I-I-I gotta get her,  
She got a man, but god damn, I gotta hit her,  
He tryna cuff her but fuck that he gotta split her,  
He can't just keep her to himself, if I ain't got it with  
her,  
And she a bad bitch,  
One of the best around,  
Got me on the quest to lift her dress & lay her down,  
I can see it in her eyes she love to play around,  
The way she twist her hips & thighs, say she down,  
It's all eyes on her when she in the club,  
Her little scrub ass nigga tryna mean mug,  
She think she love him but baby girl ain't seen love,  
If she knew better, she'd do better & get with thug,  
She need a gangsta in her life, her man soft,  
She too pretty for a pretty boy, she need a boss,  
If I can get her, just one night to come to my house,  
He can chalk it up a loss, cause I'ma break her off

[Chorus]

Walk right out the door,  
She said she don't need her man no more  
Ooh ooh ooh ooh ohhh,  
Ooh ooh ooh ooh ohhh,

Gotta (gotta) get her (get her)  
(G-g-g-g-ch-ch-ch) Met her at the club, Get this song  
playin' (G-g-ch-just gotta get her) x2

[Verse 2]

I met her at the club, looking so clean,  
Ass sitting right in them heels & tight jeans,

Dressed to impress, she drink the nice things,  
Her wrist, to her neck, to her ring is like bling,  
I heard she messed with some playa from some team,  
And he be paying big to be keeping her as his queen,  
She got the type of body that make a grown man fiene,  
And I heard it's so good she make a grown man  
scream,  
You can be rich as Bill Gates, but believe me holmes,  
Even rich niggas get cheated on,  
And guess who acting right while you acting wrong,  
I got your girl in my bed with no panties on,  
And she know I'm a g, so she come to me,  
To have fun and to for fill all her fantasies,  
So if you with her, better make sure you got her nigga,  
Cause if you slippin' on her pimpin',  
I gotta get her

[Chorus]

Walk right out the door,  
She said she don't need her man no more  
Ooh ooh ooh ooh ohhh,  
Ooh ooh ooh ooh ohhh,

Gotta (gotta) get her (get her)  
(G-g-g-g-ch-ch-ch) Met her at the club, Get this song  
playin' (G-g-ch-just gotta get her) x2
