Nigga we hustlers, we please our customers
Pay me or I'm a bust ya, this is my life
In the hood we funnel, dough by the bundle
I make a fucking ton folk, this is my life niggaz
Bentleys to Hummers, winters to summers
Ya can't take it from us, wit' all my ho's saying

Here without ya babe, I never wanna live without ya
babe
I'm a G, we riding, we riding, we riding, we riding
Let's get to it G, we riding, we riding, we riding, we

Let's get to it G

This is how we do it G
I grind hard if anybody time do it's me
I'm from the hood mayne, where niggaz good slang
And they'll take ya head off for a lil' change

Was lower class, broke no cash
Had to get up off my ass and make this time pass
Wasn't fast, but it eventually came
I'm a G in the game

Street rich niggaz, born to get figgas
If you ain't starting on no team you fucking wit' us
Everything you niggaz done, I done done it twice
Me and my Hoggz nothing nice, this is my life

Nigga we hustlers, we please our customers
Pay me or I'm a bust ya, this is my life
In the hood we funnel, dough by the bundle
I make a fucking ton folk, this is my life niggaz
Bentleys to Hummers, winters to summers
Ya can't take it from us, wit' all my ho's saying

Here without ya babe, I never wanna live without ya

Where ya Bentley? Where ya rose?
Where ya diamondz nigga? Where ya ho's?
Ya probably make a lil' cash out shows
But I spend that type of cash on ho's

We big bosses, in big houses
This ain't no ordinary cars, we big flossas
I made it legal now, fuck them people now
Me and my thugs don't budge when them people round

I hold shit down, got the key to the town
Young Slim Thugga, I'm the realest around
Everything you niggaz done, I done done it twice
Me and my Hoggz nothing nice, this is my life

Nigga we hustlers, we please our customers
Pay me or I'm a bust ya, this is my life
In the hood we funnel, dough by the bundle
I make a fucking ton folk, this is my life niggaz
Bentleys to Hummers, winters to summers
Ya can't take it from us, wit' all my ho's saying

Here without ya babe, I never wanna live without ya
babe
I'm a G, we riding, we riding, we riding, we riding
Let's get to it G, we riding, we riding, we riding, we
riding
Let's get to it G

I had to get rich, or either sit bitch
Fuck rolling shotgun, I had to get my own shit
And they respect me now, I'm Tha Boss of the town
Slim Thug getting love when he floss around

And I can be found on the same block
That got one of my brothers locked and the other one
shot
But I ain't pushing no rocks or running from cops
I'm just chilling wit' my niggaz posted up on a drop

Naw, ain't shit changed, just switched games
My bank account ain't the same, but I'm still the same
Everything you niggaz done, I done done it twice
Me and my Hoggz nothing nice, this is my life

Nigga we hustlers, we please our customers
Pay me or I'm a bust ya, this is my life
In the hood we funnel, dough by the bundle
I make a fucking ton folk, this is my life niggaz
Bentleys to Hummers, winters to summers

Ya can't take it from us, wit' all my ho's saying

Here without ya babe, I never wanna live without ya
babe

I'm a G, we riding, we riding, we riding, we riding

Let's get to it G, we riding, we riding, we riding, we
